National Audit of Small Bowel Obstruction

Week 9 Collaborator Newsletter (Data entry period)

Sites with most cases entered

All change at the top again as the Margate team upload their remaining cases!

Teams have until 30th April to finish uploading data – there's still an opportunity to break into the top ten. Only complete 30-day follow-up data can be included!

Aberdeen, Royal Glamorgan and Enniskillen are at the top of the table for Scotland, Wales and Northern Ireland.

NASBO Quick Stats:

- 537 operations for SBO up to this point
- So far, 8% of recorded operations included stoma formation
- Up to now, around 1 in 4 patients received fortisips & 1 in 10 received TPN
